[Verse 1]

D	D/C#	Bm	Bm7		
I sense a runner in the garden					
G				A7	A6
Although my judgment's known to fail					
D	D/C#	Bm	Bm7		
Once built a steamboat in a meadow					
G				A7	A6
Cause I'd forgotten how to sail					
G	A7	D			
I know the runner's going to tell you					
G	A7		D		
There ain't no cowboy in my hair					

G A7 D
 So now he's buried by the daisies
 G A7
 So I could stay the tallest man in your eyes, babe

[Verse 2]

D D/C# Bm Bm7
 I sense a spy up in the chimney
 G A7 A6
 From all the evidence I've burned
 D D/C# Bm Bm7
 I guess he'll read it in the smoke now
 G A7 A6
 And soon to ashes I'll return

 G A7 D
 I know the spy is going to tell you
 G A7 D
 It's not my flag up in the pole
 G A7 D
 So now he's buried by the lilies
 G A7
 So I could stay forever more in your eyes, babe

[Verse 3]

D D/C# Bm Bm7
 I sense a leak inside my phone now
 G A7 A6
 From all the lies I have told
 D D/C# Bm Bm7
 I know he has your private number
 G A7 A6
 And soon he'll make that vicious call

 G A7 D
 I know the leak is going to tell you
 G A7 D
 There ain't no puppy in your leash
 G A7 D
 So now he'll fertilize the roses
 G A7
 So I could stay the king you see in your eyes, babe
 G A7
 So I could stay the king you see in your eyes, babe

[Interlude]

D D/C# Bm
 So now we're dancing through the garden
 G A7 A6
 And what a garden I have made
 D D/C# Bm
 And now that death will grow my jasmine
 G A7 A6
 I find it soothing I'm afraid

G **A7** **D**
Now there is no need for suspicion
G **A7** **D**
There ain't no frog kissing your hand
G **A7** **D**
I won't be lying when I tell you
G **A7**
That I'm a gardener, I'm a man
A7 **D**
In your eyes babe
A7 **D**
In your eyes babe
A7 **Bm**
In your eyes babe.
